

PACKAGES AND PRICES

2024 – 2025

01. Joint Monitoring Cycle Package

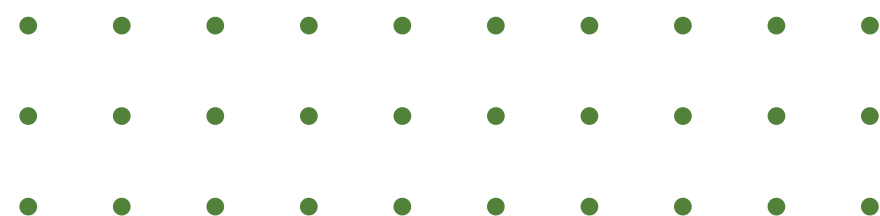

02. Curriculum Planning Package

03. Subject Health Check + Staff Training Package

04. Staff Meetings – Pick and Mix

05. Pay As You Go

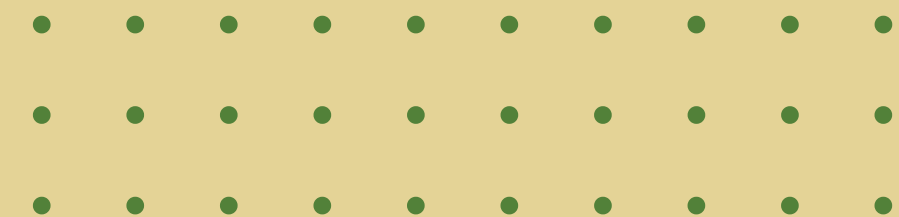

06. Annual Subscription

WHY CHOOSE A PACKAGE?

- You can plan your CPD for the year whilst saving your school money.
- While one-off consultancy days can provide valuable insights, their impact can be limited. To ensure meaningful and lasting improvement we can partner with schools on a long-term basis.

01. JOINT MONITORING CYCLE PACKAGE

Do your new subject leaders need guidance with the monitoring cycle?

Three in-school support days, one for each term. This will include:

- A review of the subject's* curriculum overview to ensure compliance with the national curriculum
- A joint work scrutiny, pupil voice, lesson visits and learning walk
- Full written report provided after each visit

Price: £1450^{+VAT}

*Choose one subject over the year, or a different one each term.

02. CURRICULUM PLANNING PACKAGE

Is a wider curriculum subject in need of an overhaul?

Three in-school support days, one for each term which will support the subject leader to:

- Quality assure the curriculum overview to ensure statutory requirements are met and that the curriculum is bespoke to your school
- Unpick the crucial knowledge needed to create the medium term plans
- Map out assessment opportunities
- Monitor implementation of plans

Price: £1350 +VAT

03. SUBJECT HEALTH CHECK + STAFF TRAINING PACKAGE

Is there one particular subject that needs refining in school?

Three half days in-school support, one for each term plus a staff meeting to support next steps for the subject:

- A review of the subject's* curriculum overview to ensure compliance with the national curriculum
- A joint work scrutiny, pupil voice and lesson visits
- Bespoke staff meeting to address next steps

*Choose one subject over the year, or a different one each term.

Price: £1450^{+VAT}

04. STAFF MEETINGS - PICK AND MIX

Price: £550
+VAT
